SUPER START RECAP

The Crossroads Conference had the opportunity to attend the 2026 SuperStart! event with 17 students and adults from three different churches. The theme, "The Mysterious Truth," centered around John 14:6 and challenged students to discover that truth is not just something to find, but Someone to know through Jesus Christ.

Throughout the weekend, students experienced powerful worship, engaging sessions, and meaningful conversations that encouraged them to grow deeper in their faith. The theme impacted many of our students as they began to understand more clearly who Jesus is and what it means to truly follow Him in their everyday lives.

It was incredible to watch students from different churches come together in unity, worship together, and encourage one another in their faith. During worship and response times, many students opened their hearts to God, renewed their faith, and made commitments to follow Jesus more boldly.

The weekend was filled with fun, connection, and most importantly spiritual transformation. We truly believe God moved powerfully in the hearts of our students and leaders throughout the event.

CHILDREN'S LOCK-IN RECAP

The Crossroads Children's Lock-In was an incredible weekend filled with faith, fun, and meaningful moments! Over 100 students and adults gathered together for an overnight experience they won't soon forget. Centered around the theme "Walk Like This" from Colossians 1, our speaker Loren Crask challenged students to think about what it truly means to walk in a way that honors God. Through each session, kids were reminded that God's love should guide the way they live, treat others, and follow Him every day.

The worship services were full of energy and excitement as students lifted up the name of Jesus together. Messages throughout the weekend encouraged students to stay on the right path, trust God's direction, and live out their faith boldly in their everyday lives. Small groups created opportunities for deeper conversations, friendships, and personal growth as leaders poured into students and helped them connect the lessons to real life.

And of course, the fun never stopped! From high-energy games and creative activities to late-night laughs and a movie night with snacks, there was always something happening. It was amazing to see kids growing closer to God while having such an unforgettable time. "Walk Like This" became more than just a theme for the weekend. It became a challenge for students to continue walking with Jesus long after the lock-in ended.
